

Proofreading FAQ

How does it work?

Well, first we determine whether we are a good fit. You send your manuscript/text to me so I can establish whether the type of text corresponds with my qualifications. If it does, I will send you a personalised quote, and upon accepting the quote, the proofreading process will start.

Let's get
published!

You send me your manuscript/text

I proofread your work using Track Changes

You go through my edits and queries

Once you have answered my queries and let me know you are happy with the edits, I implement the changes and send you a clean copy

You format your manuscript/text

You send me the formatted manuscript/text

I will proofread the formatting to ensure it's ready for publishing
